TRANSPORTATION:

The airport closest to the hotel would be the **Baltimore-Washington International Thurgood Marshall Airport (BWI)** which is approximately 30 minutes away. The hotel concierge offered the following transportation options from this airport to the hotel:

- **Town Car Service** can be arranged through the hotel's concierge (410-263-7777) for a flat rate of \$58 for one to two people, \$68 for three people, or \$78 for maximum of four people. This service will meet you **in** baggage claim and you could split the cost if 2-4 of you arrive around the same time.
- **TheAirportShuttle.Com**—Reservations must be made in advance (preferably 24 hours notice). Call 1-800-776-0323 to reserve space. The first person in a group would be \$37 and each additional person would be \$5. This would be an opportunity to split the cost, if traveling in groups of two or more.
- **BWI Flyer** is available for \$60 from the airport to the hotel only. No reservations required.
- **Super Shuttle**—Hotel concierge emphasized that the shuttle driver will not leave the airport until the shuttle has been filled with Annapolis **only** passengers. It is also not reliable for return trips from hotel to airport, even with advance reservation.

The **Ronald Reagan National Airport (DCA)** is 45 minutes from the hotel. Please keep in mind that transportation from this airport to the hotel would be slightly higher and would be provided through different vendors (i.e., Washington Flyer instead of BWI Flyer, etc.). The **Washington Dulles International Airport (IAD)** is 1 ½ hours from the hotel and transportation costs would be even higher than BWI and DCA. Taxi service with The Washington Flyer is available. The Town Car Service would be \$138.

DRIVING DIRECTIONS:

Directions from your door to the hotel can be viewed and printed by accessing the following link on the hotel's website <http://www.loewshotels.com/en/Hotels/Annapolis-Hotel/LocationInfo/Directions.aspx#>. There will be a prompt box for you to key in your address then hit the submit button.

PARKING: \$12/day or \$16/overnight
